LETTER

Sir:

As indicated on the Office Action dated July 26, 2002, the Office acknowledged receipt of the priority document from parent application serial number 09/593,562. However, the Notice of Allowance indicated that the priority document was not received.

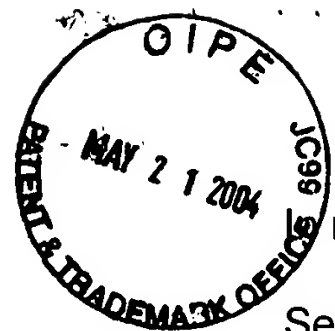

It is believed that this was an oversight and that the Office has accepted the priority document in the above-identified application.

It is respectfully requested that the Office issue a corrected Supplemental Notice of Allowability acknowledging receipt of the priority document.

Respectfully submitted,
